Today's game pits the 8th ranked Salisbury State Sea Gulls against the No. 2 ranked Washington College Shoreman. In the first meeting between the two schools last year, the Shoreman scored a 16–11 victory.

The Gulls will enter the contest with a 11–2 record while Washington is 10–1. In addition to both teams having top–ten ratings in the USILA College Division ratings, both squads have players in the top of the statistical charts.

Salisbury's attackmen Dave Cottle and Robbie White are 2nd and 7th on the average points per game chart while Washington's attackman John Cheek is 10th. Cottle is now averaging 7.8 points, White 6.0 and Cheek 5.1. Washinton's All–American goalie Bryan Matthews is also on the statistical charts, averaging 18.2 saves per game.

The Shoreman have a host of fine players including three 1974 All–Americans. Matthews, defensemen Jay Elliott and Middie Mike Cordrey are all candidates for a second All-American nomination. Washington possesses a strong all–around team as their record indicates. Their only loss this season was a 17–9 decision to undefeated and top ranked University Division team Johns Hopkins.

Both teams are coming off victories Saturday. Salisbury downed Randolph–Macon, 26–6 while the Shoremen defeated Bucknell, 13–2.
